Meeting Minutes - Client Meeting #2

Web Hosting / Database Hosting:

- The server that will be used is not the college's server
  - Domain with web hosting that already exists, made my the client: <u>lowe-walker.org</u>
  - Uses Okanagan web hosting using c panel and file sharing
    A. Has 1.95 gigs of space which should be enough. If not - we should let Ruth know so she can upgrade it
    B. <u>OkanaganBCwebhost.ca</u> takes care of hosting the site as of right now.

Next Meeting;

- Possible milestones proposal with the appropriate functionalities / requirements listed for each
- Present a DFD to show the architecture of the webpage
